MEMORANDUM FOR: Deputy Director for Intelligence  
Deputy Director for Science and Technology

SUBJECT : James Schlesinger, Assistant Director/OMB,  
Request for Information

1. Charlie Sorrels of OMB relayed today a request from Jim Schlesinger for a paper, before Christmas, reflecting the intelligence we possess concerning the alleged conclusion that the Soviet ICBM deployment rate has been slowed down.

2. Sorrels states that if an existing document containing such information is available, Schlesinger would simply like to have a copy. If no such paper has been prepared, Schlesinger would like to have a memorandum of a page or a page and a half commenting on the evidence, if any, available on the alleged slowdown.

3. With your assistance I would like to forward our response to Mr. Schlesinger before close of business Wednesday, 23 December 1970.
